

## TIPP CITY JR. BASEBALL/SOFTBALL UMPIRES 2009

This notice is being sent to anyone we have listed as being an umpire in 2009 or anyone who has expressed interest in umpiring for Tipp City Junior Baseball.

This is sent to give you some vital information concerning the 2009 baseball/softball season. First off, TCJB has kept the age cut off at 12 years old as of June 1 of the current year. Secondly, this is to let you know of the training sessions for the year that you are required to attend. There is five (5) indoor sessions that will cover the rules of the game, game procedures, philosophy, basic positioning, proper signals and the basics of the game. The three (2) outdoor sessions will give a more hands on application to the rules, strike zone, situations, and on-field conduct and procedure.

The schedule is at the bottom and it is important for you to be at each and every session that you can. Attendance will be taken and if there is a conflict or no means of transportation use the information provided to contact me.

<b>Indoor Sessions</b>	<b>Number of Years Experience</b>	<b>Location</b>

<b>Outdoor Sessions</b>	<b>Number of Years Experience</b>	<b>Location</b>
#1 April 5	1:00-3:00 (ALL Umpires)	Kyle Park Field #7
#2 April 19	1:00-3:00 (ALL Umpires)	Kyle Park Field #7

As a last note you will need to bring a pen or pencil, paper, and the rule book and manual (you will receive these items at the first meeting) to every meeting, as we will be referring to them often.

This is my first year as umpire commissioner. I plan to make this year fun and enjoyable for all. If you have any questions what so ever do not hesitate to call. I hope that you will find this year to be challenging and rewarding and I hope to see you at the training sessions. If you were an umpire last year and would like to umpire again this year. Please send me (Mr. Wampler) an e-mail at the address below and I will make sure you are added to the umpire schedule list. All new umpires will be added after their training is complete. I encourage even the experienced umpires to take the training.

Please Check the TCJB website often to check for possible changes and further information ([www.tcjb.org](http://www.tcjb.org))
